# FAQ's

## 2 PERSON HOUSEHOLD MEMBERSHIP CATEGORY FAQ'S

**I currently have a household membership with only 2 adults on it. Will my membership automatically switch to the 2 person household membership?**

Since we need consent from you to make any changes to your membership, you will have to make the switch by visiting the Service Desk, calling the Y, or emailing our Membership Director, Cody, at [cborud@ymcaminot.org](mailto:cborud@ymcaminot.org).

## COLLEGE MEMBERSHIP CATEGORY FAQ'S

**What is considered "full-time" to qualify?**

We consider 12 credits per semester as full-time for an under-graduate student and 9 credits as full-time for a graduate student in accordance with the local university.

**If I am an older than average student and going to school full time do I qualify for a college membership?**

Yes! Anyone 19 or older and enrolled in college full time is eligible for the college membership!

**What is considered a semester?**

The year is split into 3 semesters: Fall, Spring and Summer. If proof is provided each semester your college membership will be valid the following dates:

Fall: August 1 - December 31

Spring: January 1 - May 31

Summer: June 1 - July 31

**What if I am only going to school full time during the Fall & Spring or take a semester off?**

If you are not enrolled as a full-time student during any given semester, your membership will automatically switch to your corresponding membership category defined by your age (Young Adult, Adult, Senior Adult) and you will begin to pay the corresponding membership price until proof is provided for the following semester.

**How long do I have to provide proof of full-time enrollment?**

Fall Semester due date is July 31.

**Can I pay for my college membership on a quarterly, semi-annually, or yearly basis?**

Since we require that proof of full-time status be presented semesterly you may only sign up for the college membership monthly.

**Can I sign up for this membership online?**

Since we require that proof of full-time status be presented semesterly you may only sign up for the college membership in-house.

**Do I have to pay an enrollment fee at sign up or if I am moved to my corresponding membership category?**

Nope! There is no enrollment fee for the college membership and as a thank you for being a loyal member, we will waive the enrollment fee for your corresponding membership!

**I have a family or roommate(s) in my household that would like to join the Y and I am the only full-time student.**

**Which membership should we do?**

This all depends on who is in your household! Since the college membership only supports one individual, the service desk staff can help you determine the most cost-effective membership(s) for your current living situation.
