

PAY IT → FORWARD

What is Pay it Forward?

This holiday season, the YMCA is giving back by giving away year-long memberships to families and individuals who may be going through financial struggles, experiencing medical issues, or simply going through a tough time.

Nominate a Membership

Do you know a family or individual who would benefit from belonging to the YMCA? Give them a place to belong. Nomination forms can be found and submitted online or at the Minot Family YMCA by December 31, 2019. Pay It Forward membership recipients (and their nominators) will be contacted by January 15, 2020

Sponsor a Membership

Help us make these Pay it Forward memberships a possibility. Any amount will help families & individuals in our community live healthier, more connected lives. To help sponsor, visit us online at ymcaminot.org/pay-it-forward.
